

# CLOVER RIDGE PLACE

APRIL 2011

*Have you noticed how the spring sun  
makes you feel alive!*

*All that glitters is not gold?*

*The blessed sunshine is worth a ton of gold.  
Gold you cannot hold  
But warms the heart and drives out cold.*

*Memories, thoughts, friendships  
And God's love are gold—  
The kind you want to keep and hold.*

*Yes, golden sunlight sent by God  
To warm the path that we must trod.*

*God's love so warm—a blessing too  
To fill us and renew—the joy  
And love within our hearts!*

*JOYOUS SUNLIGHT*

*Mary Burlingame*

*FINALLY!!! Spring is here! We have blooms coming up, the grass is getting green, the furnace is not running very much, and the robins are back! I love this time of year—a new beginning for all!*

*I wanted to update everyone on some changes happening at our beautiful community. As most of you know, we have expanded our closer care area in the back of the building. Both areas in the back are now secure giving us 19 secure apartments to provide closer care services in. As spring approaches, we naturally will be spending more and more time outdoors. We want to make sure our residents always have someone with them for their own safety and security. The safety of our residents is our primary concern. We are asking our visitors to utilize our front door at all times from now on. By doing this, we are able to secure the outside entrances and exits and therefore maintain an additional measure of security to our residents.*

*I realize this is going to be different for many of our families and visitors. If anyone has concern with using the front entrance, I request that you stop by my office and speak with me about your concern. Again, we are not trying to be difficult we are simply trying to keep our residents safe and secure. Thank you for your patience and understanding and for allowing us to provide excellent care to your loved ones.*
